

The Ceremony

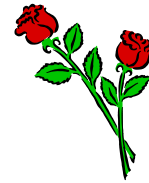

Built in 1937, *Weddings on the Hill* was formerly a private estate and is now a spiritual center, available for weddings and private party rentals.

Weddings on the Hill offers an intimate ambiance. With 5000 square feet on two floors, the amenities can accommodate a combination of uses.

- Indoor sanctuary seating for 125 people
- Outdoor capacity with tent on grounds
- Indoor piano and sound system
- Staging kitchen
- Wedding party dressing rooms & bathrooms
- Separate meeting rooms for small groups

- Parking for 65 cars
- Handicap accessible
- Convenient location
- Easy access from I-205, Lake Oswego, & Portland

You are welcome to select your own wedding officiant to perform your special ceremony.

If you do not have a preferred officiant, Rev. Victoria Etchemendy, an ordained Unity* minister, will be pleased to assist you. She will work directly with you to create a service that celebrates, honors, and affirms your commitment to one another in a way that is meaningful to you and your special guests.

She welcomes all couples, including those who desire interfaith marriages or holy unions.

*Unity is a positive, practical approach to spiritual living and honors the universal truths in all religions. We respect each individual's right to choose a spiritual path.

The Reception

Weddings on the Hill facilities can accommodate all your reception needs.

Inside, open rooms across the front of the property provide an airy, light-filled space for beautiful ceremonies.

The grounds outside, with over two acres of mature trees and landscaped lawn offer space for al fresco events or reception tents.

A list of preferred providers is available for your convenience.
